Hi Candace

I got a v-mail from Shannon Lotthammer yesterday saying that MPCA wanted to set up a call or meeting with her, John Stine, Cathy, Kurt and me to discuss the Minntac permit. She said that they are getting closer to issuance and wanted to discuss some issues that the our respective staffs have not been able to agree on. She is out of the office until 6/4, and noted that she and JLS will be here in R5 for the GLEC meeting on June 6-7 and could meet then.

I know we have a meeting scheduled for today, but I'm still in Flint/OIG crisis mode, and until that is resolved I need to focus on that. Plus, to be honest, if I can sort out Flint from home, I'd like to take some leave for at least part of the day. I'll call you later this morning to discuss Minntac. Kevin had let me know that he was struggling with MPCA on the issue of the permit issuance process, but I'm fuzzy on the actual substantive issues.

Thanks.
